4 FAH-1 H-430

POST AND ACTIVITY CODES ABROAD

*(CT:FMH-133; 03-24-2014)
(Office of Origin: CGFS/FPRA/FP)*

4 FAH-1 H-431 POST AND ACTIVITY CODES

4 FAH-1 H-431.1 Organization and Activity Codes

(CT:FMH-53; 10-05-2006)

The six-digit codes for organizations abroad identify all posts and special activities at the posts. The codes provide a single organization structure to use in notices of personnel actions; financial accounting; budgeting and reporting; post assignment travel and payroll records; for personnel management and reporting; and for supply, equipment and property accountability and inventory management. These codes can be used to identify costs, accountability, and management at serviced posts, as required. For example, with the six-digit code for New Zealand as 331300, Wellington is identified as 331301 and Auckland as 331302. In the coding of all expenses for U.S. salaries and international assignment travel, the individual post codes are used for both Wellington and Auckland. All expenses for the specialized activities listed in 4 FAH-1 H-431.2 are coded by the six-digit code shown for that activity:

- (1) State designator abroad—The first digit (reading left to right and numeral 3 as shown above) indicates that the codes relate to a Department of State activity abroad;
- (2) Geographic area designator—The second digit represents the geographic area: 1-WHA, 2-EUR, 3-EAP, 4-NEA, 5-AF, and 6-SCA;
- (3) Country designator—The third and fourth digits identify the country; and
- (4) City and activity designator—The fifth and sixth digits identify the city and activity within the country. The embassy or principal Department of State organizational unit within a country is identified by zero one (01). Further, consulate general posts are indicated by (CG) after the post name, and consulate posts by (CN).

U.S. Department of State Foreign Affairs Manual Volume 4 Handbook 1
Account Structure and Classification Codes Handbook

4 FAH-1 H-431.2 Specialized Activity and/or Organization Designator

(TL:FMH-20; 12-17-2001)

Numbers in the 60 series are used in the fifth- and sixth-digit positions of post codes to identify specialized activities and U.S. representatives to international organizations, including State personnel assigned thereto, as distinguished from personnel assigned to positions within the regular post complement.

- 60—Freight Forwarding Coordinating Office
- 61—Regional Language Supervisors and School Staff
- 62—Schools, Training Centers, and Other Locations for Training—Students
- 63—Supply and Administrative Service Centers
- 64—Regional Administrative Management Centers (RAMC)
- 65—Overseas Buildings Operations
- 66—Courier Regional Offices
- 67—State Activities at International Organizations
- 68—Security Engineering Officers Program (SEOP)
- 69—Asian Development Bank, Manila

4 FAH-1 H-431.3 EUR U.S. Posts

(TL:FMH-1; 04-15-1994)

Those EUR posts located in the Western Hemisphere are identified by the next to the last digit, which is either an eight or a nine. This permits a machine sort as to those in Europe and those outside of Europe.

4 FAH-1 H-431.4 State International Activities Abroad

(CT:FMH-53; 10-05-2006)

Personnel actions, international travel, and allotted funds related to State activities within international organizations abroad are identifiable by separate codes as follows:

State International Activities Abroad	State Abroad	Geographic Area and Country	State Activities at International
U.S. Mission to UNVIE	3	206	67
U.S. Mission to ICAO, Montreal	3	188	67
U.S. Representative to UNESCO, Paris	3	236	67

State International Activities Abroad	State Abroad	Geographic Area and Country	State Activities at International
U.S. Mission, Geneva	3	276	67

4 FAH-1 H-431.5 Prior Year Data

(TL:FMH-1; 04-15-1994)

Prior year data transactions are to be coded as described in 4 FAH-1 H-112.

4 FAH-1 H-431.6 Locator Codes

(CT:FMH-111; 06-06-2012)

The three-digit post codes (area and country, 4 FAH-1 H-431.1 (2) and H-431.1 (3)) serve as locator codes for financial documents and reports submitted to the posts and identifying the embassy or other funded post activity that transmits input data and reports for State and other agencies. This locator code is used for State and all other U.S. Government agencies (payroll, documents, reports, etc.) that State services except as otherwise prescribed and regardless of allotment, operating allowance, or project under which the activity is funded.

4 FAH-1 H-431.7 Paying Office Codes

(TL:FMH-1; 04-15-1994)

Three-digit codes are used to identify the offices performing disbursing functions for themselves and others. This code is the same as the "locator code" (second, third, and fourth digits of the six-digit organization code), as shown in 4 FAH-1 H-432.1 through 4 FAH-1 H-433.5. Posts which receive disbursing services are identified by the paying office codes; see 4 FAH-1 H-700.

4 FAH-1 H-431.8 Currency Codes

(TL:FMH-1; 04-15-1994)

The three-digit post and locator codes explained in 4 FAH-1 H-431.6 are the currency codes for the countries with those currencies. When two or more currency codes are required in a country, special funding and currency codes are assigned in 4 FAH-1 H-432.1 through 4 FAH-1 H-432.5. The regular currency code and post locator code is the "hard currency" code, and the special code may be the "soft currency" code.

4 FAH-1 H-431.9 Centralized Data Processing and Fiscal Services

(TL:FMH-1; 04-15-1994)

Posts which receive centralized data processing and fiscal services are listed in 4 FAH-1 H-700 by computer center and/or servicing center, with the type of services provided.

4 FAH-1 H-432 POST FUNDING CODES ABROAD

(TL:FMH-19; 06-04-2001)

The four-digit allotment codes for posts abroad and activities are defined in 4 FAH-1 H-314. The three digits basic Department of State funding code consists of the digit code for geographic area and two digits for country designator or special activity (see 4 FAH-1 H-431.1 (2) and 4 FAH-1 H-431.1 (3)). The special activity code is assigned, when required, as shown in 4 FAH-1 H-312. This three-digit funding code is preceded by 0, 1, 2, 3, 4, 5, or 6 to make up the allotment code for the country or special activity.

4 FAH-1 H-432.1 WHA Funding Codes (_1XX)

(CT:FMH-111; 06-06-2012)

In the following listings, the organization and/or activity is the embassy of the country unless otherwise indicated. The locator code is the same as the Department of State post code and basic funding code. Exceptions for funding code are special allotments (and/or operating allowances) for State and other U.S. Government agencies' allotments and projects.

4 FAH-1 H-434 NON-POST CODES

(CT:FMH-50; 05-15-2006)

The codes listed below identify locations other than State Department Foreign Service Posts within the six-digit organization structure coding system. These location codes identify:

- (1) Transit points representing places of shipping and transshipping as well as passenger transfer points;

UNCLASSIFIED (U)

U.S. Department of State Foreign Affairs Manual Volume 4 Handbook 1
Account Structure and Classification Codes Handbook

- (2) Locations to which personnel may be assigned, not otherwise classified;
- (3) Points where other U.S. Government agencies have activities which receive fiscal services from the Financial Management Centers (FMCs), the Global Financial Service Centers: Bangkok and Charleston; and
- (4) Locations at other than a State Department post where consular services are performed.

4 FAH-1 H-436 LISTING OF USAID NON-POST CODES ABROAD

(CT:FMH-133; 03-24-2014)

These codes represent USAID locations. These entries are for the Web PASS (Post Administrative Software Suite) System, which has its own separate organization and agency tables. These organization codes are in the Standard Reference Table, which is updated via entries in 4 FAH-1.

Non-post code entries are indicated by an asterisk (*).
